

BOARD OF CHOICE INFORMATION

Thank you for your interest in the Tucson Association of REALTORS® as a board of choice member. A board of choice member is an individual who has chosen another Association for their primary Association and is seeking access only to the Multiple Listing Service of Southern Arizona (MLSSAZ) Flexmls system.

Here are the steps of the application process:

1. Ensure your broker is a member of MLSSAZ. An individual agent is only eligible to join if their broker is a subscriber.
2. If your broker is not a subscriber they may follow this outlined process to become a member and set up the brokerage office.
3. On the www.tucsonrealtors.org site is an Icon called JOIN.
4. Click join and choose the appropriate category of membership. (Broker or agent, etc.)
5. Choose the Get Started option.
6. You will answer the 4 questions. Question 1 is yes, 2 and 3 are no and question 4 is yes by choosing other.
7. When you submit the application the process begins.
8. Your membership will be processed in the order it was received once we verify the a complete application.
9. Our Membership Coordinator will begin the process and will call you for payment once the membership is ready.
10. The fees are a decreasing fee scale based on the month you join.
11. Full membership begins in July of each year.
12. Once an individual provides payment you will receive a quiz based on the MLSSAZ rules and regulations along with the Rules and Regulations document.
13. You must return the completed quiz within 90 days of the date of your membership or risk being deactivated for non-compliance.

This process is valid for access to the MLSSAZ Flexmls system. Should you require access to the TransactionDesk® forms for Tucson, you would need to join as a secondary member of the TAR Association. Please call 520-327-4218 for details to that process.
