Multiple Listing Service of Southern Arizona, RULES AND REGULATIONS

Preamble

The Tucson Association of REALTORS® Multiple Listing Service, Inc. D.B.A. Multiple Listing Service of Southern Arizona (MLSSAZ) is a service whereby Brokers make blanket unilateral offers of cooperation and compensation to the other Participants (acting either as subagents, buyer agents, or in any agency or non-agency capacities defined by law) and is a facility for the orderly correlation and dissemination of listing information among the Participants so that they may better serve their clients and the public. These Rules and Regulations have been created by REALTORS®, for REALTORS®, and have been reviewed by legal counsel and approved by the National Association of REALTORS®.

Participation Defined

Any REALTOR® of this or any other Board who is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal, without further qualification, except as otherwise stipulated in these bylaws, shall be eligible to participate in Multiple Listing upon agreeing in writing to conform to the rules and regulations thereof and to pay the costs incidental thereto. However, under no circumstances is any individual or firm, regardless of membership status, entitled to Multiple Listing Service “membership” or “participation” unless they hold a current, valid real estate broker’s license and offer or accept compensation to and from other Participants or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property.** Use of information developed by or published by a Board Multiple Listing Service is strictly limited to the activities authorized under a Participant’s licensure(s) or certification and unauthorized use are prohibited. Further, none of the foregoing is intended to convey “participation” or “membership” or any right of access to information developed by or published by a Board Multiple Listing Service where access to such information is prohibited by law. (Amended 11/08)*

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. “Actively” means on a continual and ongoing basis during the operation of the Participant's real estate business. The “actively” requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law. (Adopted 11/08)

The key is that the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which

participation is sought. This requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a “Virtual Office Website” (VOW) (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a Participant or potential Participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all Participants and potential Participants. (Adopted 11/08)

Listing Procedures

Section 1 - Listing Procedures Definitions:

Wherever the word “filed” is used herein shall refer to input in the Multiple Listing Service (MLS). Wherever the term “Listing Agreement” is used herein shall refer to the “Exclusive Right to sell” or exclusive agency agreements.

Mandatory Types:

Listings of the following types, located within the territorial jurisdiction of the Tucson Association of Realtors® and Green Valley/Sahuarita Association of REALTORS® taken by Participants on a “Listing Agreement” shall be delivered to the MLS, in the form of a “Profile Sheet,” or input directly into the MLS system within two (2) business days after all necessary signatures of the Sellers have been received by the listing Broker:

- a) Single Family Residence, Townhouse/Condominium, Manufactured or Mobile Home for sale or exchange;
- b) Vacant lots and acreage for sale or exchange.
- c) Two-Family, three-Family and Four-Family residential buildings for sale or exchange.

If the seller(s) requests that the input of the listing be delayed for any reason, a Coming Soon/Exempt/Delayed Authorization Form must be completed, signed, and submitted to the MLS within two (2) business days of its signing by seller(s). (*Amended 5/2020*) (M)

Non-Mandatory Types:

Listings outside the service area of MLSSAZ will be accepted by the MLS if submitted voluntarily. Such listings, if submitted, shall be subject to the rules and regulations of MLSSAZ. Non-Mandatory types include:

- a) New Home Construction
- b) Commercially zoned buildings for sale, lease, or exchange
- c) Commercially zoned buildings with business included for sale or exchange
- d) Farm and Ranch properties for sale or exchange
- e) Rental properties

Clear Cooperation

Within one (1) business day of marketing a property to the public, the listing broker must submit the listing to the MLS for cooperation with other MLS participants. Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks, and applications available to the general public. (Adopted 11/19) (M)

Note - Clear Cooperation applies to all Mandatory Types only.

If the seller refuses to permit the listing to be disseminated by the service, the participant may then take the listing (office exclusive) and such listing shall be filed with the service but not disseminated to the participants. Filing of the listing should be accompanied by the Coming Soon/Exempt/Delayed Authorization Form signed by the seller that he does not desire the listing to be disseminated by the service. Listing shall be filed with the MLS in accordance to Section 1.6 of these Rules and Regulations. (Adopted 05/2020) (M)

Section 1.1 - Listings:

Maintaining accurate listing data is a critical necessity for achieving the defined purpose of the MLS. Participants and subscribers are required to submit accurate listing data and be required to correct any known errors.

Multiple listing services may not require participants to enter into listing agreements using a form other than the form a participant individually chooses to use. The MLS reserves the right to request any and all documentation pertaining to the listings filed with the MLS. Any documentation requested by the MLS shall be submitted within five business days upon request by the MLS. Any "Listing Agreement" may be accepted by the MLS, however, with advice of its Legal Counsel:

- (a) May refuse to accept any Listing Agreement which fails to adequately protect either the interest of the Public or the Participants;
- (b) Will refuse to accept any Listing Agreement which establishes, directly or indirectly, any contractual relationship between the MLS and the Client or Customer;
- (c) Shall refuse to accept any Listing Agreement which does not include the Seller's authorization to submit the agreement to the MLS.

Section 1.2 - Types of Listings Accepted:

MLSSAZ shall accept EXCLUSIVE RIGHT TO SELL listing contracts and EXCLUSIVE AGENCY listing contracts, and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other Participants of MLSSAZ. The listing agreement must include the seller's written authorization to submit the agreement to the Multiple Listing Service. The different types of listing agreements include:

Exclusive Right to Sell Listing:

The Exclusive Right to Sell Listing is the conventional form of Listing submitted to the Multiple Listing Service. The Listing Broker is defined in the contractual agreement as the Agent or the legally recognized Non-Agency Representative of the Seller(s). Based on the contractual agreement, the Seller(s) agrees to pay a commission to the Listing Broker regardless of whether the property is sold through the efforts of the Listing Broker, the Seller(s) or anyone else except that the Seller(s) may name one or more individual or entities as exempt in the listing agreement. If the property is sold to any exempted individual or entity, the Seller(s) is not obligated to pay a commission to the Listing Broker.

Exclusive Agency Listing:

The Exclusive Agency Listing also authorizes the listing Broker, as exclusive agent, to offer cooperation and compensation on a blanket unilateral basis, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. The Listing Broker is defined in the contractual agreement as the Agent or the legally recognized Non-Agency Representative of the Seller(s). Based

on the contractual agreement, the Seller(s) agrees to pay a commission to the Listing Broker if the property is sold through the efforts of any real estate broker. If the property is sold solely through the efforts of the Seller(s), the Seller(s) is not obligated to pay a commission to the listing broker.

Exclusive agency listings shall be clearly distinguished by designation of listing type upon listing input and a notation in the remarks section of the listing since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell listings.

Exclusive Right to Sell Listings with Prospect Reservations:

MLSSAZ will accept exclusive right to sell listings in which the seller reserves the right to sell to certain named individuals. Such listings shall be clearly distinguished from the Exclusive Right to Sell Listing by a notation in the Agent Only Remarks section of the listing. The listing will be accompanied by a statement signed by the seller identifying the named individuals. The listing agent must disclose the named individuals at the request of another Subscriber.

Open Listing:

Means a contractual agreement under which the Listing Participant acts as the agent of the Seller(s), and the Seller(s) agrees to pay a commission to the Listing Participant only if the property is sold through the efforts of the Listing Participant. Open listings are not accepted except where required by law because the inherent nature of an open listing is such as to usually not include the authority to cooperate and compensate other brokers and inherently provides a disincentive for cooperation.

Net Listings:

MLSSAZ may not accept net listings because they are deemed unethical and, in most states, illegal.

Note: These definitions are provided to facilitate categorization of listings in MLS compilations. In any area of conflict or inconsistency, state law or regulation takes precedence. If state law permits brokers to list property, on either an exclusive or open basis, without establishing an agency relationship, listings may not be excluded from MLS compilations on the basis that the listing broker is not the seller's agent.

Note: MLSSAZ does not regulate the type of listings its Participants may take. This does not mean that a multiple listing service must accept every type of listing. MLSSAZ shall decline to accept open listings (except where acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. While MLSSAZ may limit the kind of listings it will accept, it shall leave its Subscribers free to accept such listings to be handled outside the multiple listing service.

Note: The MLS may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation

of current listings. (Adopted 11/92 by NAR) [M]

Section 1.3 - Listings Subject to Rules and Regulations of the MLS:

All listings taken on a Listing Agreement to be filed with the MLS are subject to these Rules and Regulations of the MLS upon signature of the seller(s). (R)

Section 1.4 - Detail on Listings Filed with the MLS:

A "Profile Sheet," when filed with the MLS shall be signed by the Listing Broker and seller(s), and be complete and accurate in every detail which is ascertainable on the "Profile Sheet." Any office and/or agent specified on the "Profile Sheet" must be a member of MLSSAZ and affiliated with an office that is a member in good standing with the MLS.

Section 1.4.1 - Accuracy of Listing Data:

Participants and subscribers are required to submit accurate listing data and required to correct any known errors. (Adopted 11/19) (M)

Section 1.4.2 - Bedroom Definition:

A conforming bedroom is defined as a permitted room which contains a constructed closet, door and window.

Section 1.4.3 - Year Built Definition:

The year built date on an MLS Listing must be what is reflected in the Assessor's Effective Year Built records. Any other references to the year built, other than what is reflected by the Assessor may be included in the Property Description section or the Agent only Remarks Section of the listing.

Section 1.4.4 - Property Addresses:

At the time of filing a listing, participants and subscribers must include a property address available to other participants and subscribers, and if an address doesn't exist a parcel identification number can be used. Where an address or parcel identification number are unavailable, the information filed with the MLS must include a legal description of the property sufficient to describe its location. (M)

Section 1.5 - Limited Service and MLS Entry-only Listings:

Limited Service and MLS Entry-only Listings will be identified with the "Limited Service Listing" field in the MLS. Listing agent shall provide instructions to the cooperating broker in the Agent Only Remarks so they will be aware of the extent of the services the listing broker will provide.

Section 1.5.1 - Limited Service Listing Guidelines:

Listing Agreements under which the listing broker will not provide one, or more, of the following services:

- (a) Arrange appointments for cooperating brokers to show listed property to potential purchasers but instead gives cooperating brokers authority to make such appointments directly with the seller(s);
- (b) Accept and present to the seller(s) offers to purchase procured by cooperating brokers but instead gives cooperating brokers authority to present offers to purchase directly to the seller(s);
- (c) Advise the seller(s) as to the merits of offers to purchase;

- (d) Assist the seller(s) in developing, communicating, or presenting counter-offers; or
- (e) Participate on the seller(s) behalf in negotiations leading to the sale of the listed property.

Section 1.5.2 - MLS Entry-only Listing Guidelines:

Listing agreements under which the listing broker will not provide any of the following services:

- (a) Arrange appointments for cooperating brokers to show listed property to potential purchasers but instead gives cooperating brokers authority to make such appointments directly with the seller(s);
- (b) Accept and present to the seller(s) offers to purchase procured by cooperating brokers but instead gives cooperating brokers authority to present offers to purchase directly to the seller(s);
- (c) Advise the seller(s) as to the merits of offers to purchase;
- (d) Assist the seller(s) in developing, communicating, or presenting counter-offers; or
- (e) Participate on the seller(s) behalf in negotiations leading to the sale of the listed property.

MLS Entry-Only listings should direct cooperating brokers to Section 2.5 Reporting of Sales to the MLS.

Section 1.6 - Exempt/Delayed Listings:

A seller may elect to delay or not permit a listing to be disseminated by the MLS under the following conditions: If a seller elects to delay or refuses to permit the listing to be disseminated by the MLS, the Broker may then take the listing, but not enter the listing into the MLS. A Coming Soon/Exempt/Delayed Authorization Form shall be submitted to the Service within two (2) business days after all necessary signatures have been obtained by the broker and accompanied by a certification signed by the seller. The listing broker shall maintain the signed documents. (Amended 5/20)

Listings in the Exempt/Delayed status may not be marketed to the public unless in the status of Coming Soon per the requirements of the Clear Cooperation rules dictated in Section 1 of these Rules and Regulations. (Adopted 05/2020)

A delayed listing that has first been submitted as Exempt/Delayed will show the listing date as the date the Exempt/Delayed status expires and the listing is to be made available to the MLS for publication to the membership.

Section 1.7 - Change of Status of Listing:

Any change in the Listing Agreement, including but not limited to price, terms of sale, withdrawal, and extension, shall be made only when authorized in writing by the seller on the Status Change Form and signed by the Listing Broker.

- a) Status Change Form shall be filed with the MLS within two (2) business days after the authorized change is received by the Listing Broker.
- b) Within two (2) business days of acceptance of a purchase contract for a property entered into the MLS, the MLS listing must be reported as defined on the MLS's Status Change Form.

Section 1.8 - Withdrawal of Listing Prior to Expiration:

Listings of property may be withdrawn from the Multiple Listing Service by the Listing Broker before the expiration date of the Listing Agreement provided a completed status change form signed by the broker, and seller(s), when possible, is filed with the MLS within two (2) business days. Sellers do not have the unilateral

right to require MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that the exclusive relationship with the listing broker has been terminated, the MLS may remove the listing at the request of the seller. (M)

Section 1.9 - Contingencies Applicable to Listing:

If a Participant has been suspended from the Association or MLS (or both) for failure to pay appropriate dues, fees, fines or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant’s listings in the MLS compilation of current listing information. Prior to any removal of a suspended Participant’s listings from the MLS, the suspended Participant should be advised, in writing, of the intended removal so that the suspended Participant may advise their clients. (M)

He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing Broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations. (M)

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented. (Amended 11/08) Violation of this rule may be subject to a fine.

Note: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its Participants. (M)

If the information entered into the Agent MLS Code field does not correspond to the name and license number, information in the name and license number shall prevail.

For Closed listings that did not use the AAR Purchase Contract, the Selling Agent and their brokerage shall communicate the existence of a team and how the listing is to be reported in writing at the time of closing.

If a listing to be reported as a team has been reported with incorrect team members, the team leader or Designated REALTOR® must request a change by the Listing Brokerage within 30 days of closing. (Adopted 01/2017)

Section 3 - Nature of the Standard Multiple Listing Service Mark:

The NATIONAL ASSOCIATION OF REALTORS® has approved a standard multiple listing service logo (the “Logo”) for use by authorized chartered associations of REALTORS®, members of such associations, and multiple listing services solely owned by such association(s) pursuant to the terms set forth herein, and as further described in the Membership Marks Manual. Downloadable files and additional information about the Logo may be found on nar.realtor.com (Amended 11/20) (M)

Section 3.1 - Authorization to Use the Standard Multiple Listing Service Logo:

Authorization to use the Logo is limited to the following authorized licensees (“Authorized Licensees”):

- (a) Associations of REALTORS® that own or control multiple listing service, wholly owned by REALTOR® Associations, and that have certified that their governing documents comply with multiple listing policy of the National Association.
- (b) Multiple listing services owned and/or controlled solely by an association(s) of REALTORS®, and when the governing documents of the owning or controlling association(s) of REALTORS® and/or the MLS, if a separate legal entity with separate governing documents, have certified that their governing documents comply with multiple listing policy of the National Association.
- (c) Members of an association of REALTORS® that owns and/or controls a multiple listing service and that has certified that their governing documents comply with multiple listing policy of the National Association.

Authorized Licensees use of the Logo is subject to the following limitations:

- The Logo may not be modified.
- The Logo may not be used as a lapel pin or jewelry.
- The Logo may be used only on stationery, printed forms, websites and within promotional materials regarding multiple listing services.
- Authorized Licensees acknowledge that the National Association is the exclusive owner of the Logo.
- The multiple listing service must cease all use of the Logo in the event it is no longer solely owned and/or controlled by an association(s) of REALTORS®.
- The association(s) of REALTORS® and multiple listing service must cease all use of the Logo in the event any governing documents of the association(s) of REALTORS® or the multiple listing service, if applicable, do not comply with multiple listing policy of the National Association.
- The National Association reserves the right to require Authorized Licensees to adhere to additional limitations on use of the Logo and to cease use of the Logo for any reason within its sole discretion.

Section 3.2 - Special Notes Concerning the Standard Multiple Listing Service Logo and the National Association’s REALTOR® Trademarks:

The NATIONAL ASSOCIATION OF REALTORS® does not permit any variation of the Logo design. Further, the National Association will not review and does not authorize any multiple listing service insignia to be used with the Logo other than the multiple listing service’s own logo. Further, the National Association’s REALTOR® trademarks may not, in any instance, be used in connection with any multiple listing service not owned and/or controlled solely by an association(s) of REALTORS®. (Amended 11/20) (M)

Section 3.3 - Use of the Standard Multiple Listing Service Logo by Nonmember Participants:

The Logo may not be used by non-association members of an MLS, including in any state where law requires

that brokers (principals) who are not REALTORS® be admitted to the multiple listing service of an association of REALTORS®, or in any association which has voluntarily opened its MLS to nonmember brokers and/or appraisers. Such use would be a misrepresentation and would violate the registration rights in the REALTOR® trademarks of the NATIONAL ASSOCIATION OF REALTORS®, the lawful owner of said collective marks. Where such non-association member advertises that they are a member of the multiple listing service of an association of REALTORS®, the multiple listing service may properly require that such participant of the service include in such advertisement that they are not a member of the association of REALTORS®.(Amended 11/20) (M)

Prohibitions

Section 4 - Information for Participants Only:

Any listing filed with the MLS shall not be made available to any Non-Participant without the prior consent of the Listing Broker. (M)

The following data is intended exclusively for MLS Participants and their affiliated licensees:

- (a) The compensation offered to other MLS Participants.
- (b) The type of listing agreement, i.e., exclusive right to sell or exclusive agency.
- (c) The seller(s) and occupant(s) name(s), phone number(s) and email address(es) where available.
- (d) Instructions or remarks intended for cooperating Brokers only such as these regarding showings or security of listed property.

Section 4.1 - “For Sale” Signs:

Only the “For Sale” or “For Rent” signs of the Listing Broker may be placed on the property. (M)

Section 4.2 - “Sold Signs”:

Prior to closing, only the “sold” sign of the listing Broker may be placed on the property, unless the listing Broker authorizes the cooperating (selling) Broker to post such a sign. (M)

Section 4.3 - Solicitation of Listing Filed with the MLS:

Participants shall not solicit a listing on a property filed with the MLS unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice and its Case Interpretations.

Note: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute them for the present broker.

This section is also intended to encourage brokers to participate in the service by assuring them that other Participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most

reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics. (M)

Section 4.4 - Confidentiality of Employment Agreement:

Listing Agreements filed with the MLS are confidential agreements between Seller(s) and listing Brokers. The MLS shall not disclose or publish, in whole or part, the contents of an active agreement to any Participants without the prior written authorization of the listing Broker.

Section 4.5 - Use of the Terms MLS and Multiple Listing Service:

No MLS Participants, Subscriber or Licensee affiliated with any Participant shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, Subscribers and Licensees affiliated with Participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to Participants and Subscribers. This does not prohibit Participants and Subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise.

Section 4.6 - MLS data fields authorized for display may not be changed:

MLS content may be augmented with additional content provided the source of any additional data is clearly identified.

Section 4.7 - Services Advertised as “Free”:

MLS participants and subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the participant or subscriber will receive no financial compensation from any source for those services. (M)

Division of Commissions

Section 5 - Cooperative Compensation Specified on Each Listing:

The listing broker shall specify, on each listing filed with the multiple listing service, the compensation offered to other Multiple Listing Service Participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker’s performance as the procuring cause of the sale (or lease) or as otherwise provided for in this rule. The listing broker’s obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or

financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

(Amended 11/98)

In filing a property with the Multiple Listing Service of Southern Arizona, Inc. the Participant of the MLS is making blanket unilateral offers of compensation to the other MLS Participants, and shall therefore specify on each listing filed with the MLS, the compensation being offered to the other MLS Participants. Specifying the compensation on each listing is necessary, because the cooperating broker has the right to know what the compensation shall be prior to endeavoring to sell.* *(Amended 11/96)*

The listing broker retains the right to determine the amount of compensation offered to other Participants (acting as subagents, buyer agents, or in other agency or non-agency capacities defined by law) which may be the same or different. *(Amended 11/96)*

*The compensation specified on listings filed with the multiple listing service shall appear in one of two forms. The essential and appropriate requirement by an association multiple listing service is that the information to be published shall clearly inform the Participants as to the compensation they will receive in cooperative transactions, unless advised otherwise by the listing broker, in writing, in advance of submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:

1. By showing a percentage of the gross selling price
2. By showing a definite dollar amount *(Amended 11/95)*

MLSSAZ DOES NOT allow Participants to offer cooperative compensation as a percentage of the net sales price, with net sales price defined as the gross sales price minus buyer upgrades (new construction) and seller concessions (as defined by the MLS unless otherwise defined by state law or regulation).

This shall not preclude the listing broker from offering any MLS Participant compensation other than the compensation indicated on any listing published by the MLS, provided the listing broker informs the other broker, in writing, in advance of submitting an offer to purchase, and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in the MLS. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount. *(Amended 11/95)*

Note 1: The multiple listing service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in the listing contract, and the association multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a Participant. The association multiple listing service shall not disclose in any way the total commission negotiated between the seller and the listing broker.

Note 2: The listing broker may, from time to time, adjust the compensation offered to other multiple listing service Participants for their services with respect to any listing by advance published notice to the MLS

so that all Participants will be advised. (Amended 4/92)

Note 3: The multiple listing service shall make no rule on the division of commissions between Participants and Non-Participants. This should remain solely the responsibility of the listing broker.

Note 4: Multiple listing services, at their discretion, may adopt rules and procedures enabling listing brokers to communicate to potential cooperating brokers that gross commissions established in listing contracts are subject to court approval, and that compensation payable to cooperating brokers may be reduced if the gross commission established in the listing contract is reduced by a court. In such instances, the fact that the gross commission is subject to court approval and either the potential reduction in compensation payable to cooperating brokers or the method by which the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating brokers prior to the time they submit an offer that ultimately results in a successful transaction. (Amended 5/08)

Note 5: Nothing in these MLS rules precludes a listing Participant and a cooperating Participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction. (Adopted 11/05) (M)

Note 6: Multiple listing services must give Participants the ability to disclose to other Participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require Participants to disclose potential short sales when Participants know a transaction is a potential short sale. In any instance where a Participant discloses a potential short sale, they may, as a matter of local discretion, also be permitted to communicate to other Participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperating Participants. All confidential disclosures and confidential information related to short sales, if allowed by local rules, must be communicated through dedicated fields or confidential "remarks" available only to Participants and Subscribers (Amended 5/09) (M)

Section 5.1-Participants as Principal:

If a Participant or any licensee (or licensed or certified appraiser) affiliated with a participant has any ownership interest in a property, the listing of which is to be disseminated through the multiple listing service, that person shall disclose that interest when the listing is filed with the multiple listing service and such information shall be disseminated to all multiple listing service Participants. (M)

Section 5.2 - Participants as Purchaser:

If a Participant or any licensee (including licensed and certified appraisers) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker. (M)

Section 5.3 - Dual or Variable Rate Commission Arrangements:

The existence of a dual-or variable-rate commission agreement (i.e. one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker as required by the MLS. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease. (M)

Section 5.4 - Display of Listing Broker's Offer of Compensation:

Participants and subscribers who share the listing broker's offer of compensation for an active listing must display the following disclaimer or something similar.

The listing broker's offer of compensation is made only to participants of the MLS where the listing is filed. (M)

Service Charges

Section 6 - MLS Fees and Charges:

The following services charges for operation of the multiple listing service are in effect to defray the costs of the service and are subject to change from time to time in the manner prescribed:

Initial Participation Fee: An applicant for participation in the service shall pay an application fee of \$150 with such fee to accompany the application.

Note: The initial participation fee shall approximate the cost of bringing the service to the participant.

Recurring Participation Fee: The annual participation fee of each participant shall be an amount equal to \$290 times each salesperson and licensed or certified appraiser who has access to and use of the service, whether licensed as a broker, sales licensee, or licensed or certified appraiser who is employed by or affiliated as an independent contractor with such participant. Payment of such fees shall be made within 30 days of receiving an invoice. Fees shall be prorated on a monthly basis.

However, MLSs must provide participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS where the principal broker participates. MLSs may, at their discretion, require waiver recipients and their participants to sign a certification for nonuse of its MLS services, which can include penalties and termination of the waiver if violated.

(Adopted 11/17) (M)

From time to time, the MLS Standards Committee shall establish and publish a Schedule of Fines applicable to its service(s) and sanctions. Such Schedule of Fines shall be subject to the approval of the Board of Directors.

The Board of Directors shall establish and publish a Schedule of Fees applicable to its service(s).

Compliance with Rules

Section 7 - Compliance with Rules/Authority to Impose Discipline:

By becoming and remaining a Participant or Subscriber in this MLS, each Participant and Subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a.) letter of warning
- b.) letter of reprimand
- c.) attendance at MLS orientation or other appropriate courses or seminars which the Participants or Subscriber can reasonably attend taking into consideration cost, location, and duration
- d.) Appropriate, reasonable fine not to exceed \$15,000. - Any Subscriber/user sanctioned by the MLS Standards Committee shall have the right to request an appeal, within twenty (20) days following receipt of the Committee's decision, to the MLS Board of Directors.
- e.) suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year - If any Participant and/or Subscriber fails to comply with any sanction whether it be fine, class, or other requirement imposed by MLS Standards Committee, within the timeframe specified by their sanction, subject to the request for a hearing, individual so sanctioned shall be suspended until all conditions of their sanction have been fulfilled
- f.) termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years (M) (Amended 04/2015)

Note: A Participant (or user/Subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a Participant (or user/Subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfilment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. (Revised 05/14)M

Note: MLS participants and subscribers can receive no more than three (3) administrative sanctions in a calendar year before they are required to attend a hearing for their actions and potential violations of MLS rules, except that the MLS may allow more administrative sanctions for violations of listing information provided by participants and subscribers before requiring a hearing. The MLS must send a copy of all administrative sanctions against a subscriber to the subscriber's participant and the

participant is required to attend the hearing of a subscriber who has received more than three (3) administrative sanctions within a calendar year. (Adopted 11/20) M

Section 7.1 - Filing Complaints:

When requested by a complainant, MLSs must provide a process for processing complaints without revealing the complainant's identity. If the complaint is forwarded to hearing, then the MLS Committee, Grievance Committee, MLS staff or other representative must serve as the complainant when the original complainant does not consent to participating in the process or the disclosure of his or her name.

Section 7.2 - Administrative Sanctions:

In any instance where a participant in an association multiple listing service is charged with a violation of the MLS bylaws or rules and regulations of the service, and such charge does not include alleged violations of the Code of Ethics or the Standards of Conduct for MLS participants, or a request for arbitration, administrative sanctions. Recipients of an administrative sanction may request a hearing before the professional standards committee of the association.

MLS participants and subscribers can receive no more than three (3) administrative sanctions in a calendar year before they are required to attend a hearing for their actions and potential violations of MLS rules, except that the MLS may allow more administrative sanctions for violations of listing information provided by participants and subscribers before requiring a hearing. The MLS must send a copy of all administrative sanctions against a subscriber to the subscriber's participant and the participant is required to attend the hearing of a subscriber who has received more than three (3) administrative sanctions within a calendar year.

Section 7.3 - Appeals and Hearing Options:

If the participant refuses to accept any sanction or discipline proposed, the circumstances and the discipline proposed shall be appealed to the board of directors of the association of REALTORS® which shall, if it deems the finding of violation proper and the sanction appropriate to the offense, delay the effective date of sanction until final entry by a court of competent jurisdiction in a suit filed by the association for declaratory relief, except in those states where declaratory relief is not available, declaring that the disciplinary action and proposed sanction violates no rights of the multiple listing service participant. If the MLS committee has a procedure established to conduct hearings, the decision of the MLS committee may be appealed to the board of directors of the association of REALTORS®. If a separately incorporated MLS has an established procedure for the conduct of hearings, the decisions of the hearing tribunal shall be appealable to the board of directors of the MLS. (Amended 11/20) (M)

Section 7.4 Compliance with Rules:

The following action may be taken for noncompliance with the rules:

- a.) for failure to pay any service charge or fee within one (1) month of the date due, and provided that at least ten (10) calendar days' notice has been given, the MLS shall be suspended until service charges or fees are paid in full
- b.) for failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply

Note: Generally, warning, censure, and the imposition of a fine are sufficient to constitute a deterrent to

violation of the rules and regulations of the multiple listing service. Suspension or termination is an extreme sanction to be used in cases of extreme or repeated violation of the rules and regulations of the service. If the MLS desires to establish a series of fines, they should be clearly specified in the rules and regulations.

Section 7.5 - Applicability of Rules to Users and / or Subscribers:

Associate Brokers, sales licensees, appraisers, and others authorized to have access to information published by the MLS are subject to these rules and regulations and may be disciplined for violations thereof provided that the user or Subscriber has signed an agreement acknowledging that access to and use of the MLS information *and/or its other services* is contingent on compliance with the rules and regulations. Further, failure of any user or Subscriber to abide by the rules and/or any sanction imposed for violations thereof can subject the Participants to the same or other discipline. This provision does not eliminate the Participant's ultimate responsibility and accountability for all users and Subscribers affiliated with the Participants.

Meetings

Section 8 - Meetings

In addition to meetings as required by the By-laws, the following meetings are required:

Section 8.1 Meeting of MLS Participants:

The Board of Directors may call meetings of the Participants of the MLS at a time and place to be determined by the Board of Directors.

Section 8.2 - Meeting of MLS Standing Committees:

Standing Committees of the MLS shall meet for the transaction of its business at a time and place to be determined by the Board of Directors or at the call of the Committee Chairperson.

Section 8.3 - Conduct of the Meetings:

The Chair shall preside at all meetings or, in the absence of the Chair; a temporary Chair from the membership of the Committee shall be named by the Chair, or upon failure to name a Chair, by the Committee.

Enforcement of Rules or Disputes

Section 9 - Consideration of Alleged Violations:

The MLS Standards Committee shall give consideration to all complaints having to do with violations of the Rules and Regulations. If, in the opinion of the Standards Committee, the alleged violation is considered to be a violation of the REALTOR® Code of Ethics or a Request for Arbitration, the complaint shall be forwarded to the Professional Standards Committee of the Arizona Association of REALTORS® for action in accordance with the Bylaws. By becoming and remaining a participant, each participant agrees to be subject to these rules and regulations, the enforcement of which are at the sole discretion of the Board of Directors. (M) (Amended 11/2018)

When requested by a complainant, the MLS will process a complaint without revealing the complainant's identity. If a complaint is subsequently forwarded to a hearing, and the original complainant does not consent to participating in the process, the MLS will appoint a representative to serve as the complainant. (Amended 11/20) (M)

Section 9.1 - Violations of Rules and Regulations

If the alleged offense is a violation of the rules and regulations of the MLS and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered according to the MLSSAZ Correction Policy and if a violation is determined, the MLS Standards Committee may direct the imposition of sanction, provided the recipient of such sanction may request an appeal before the MLS Board of Directors within twenty (20) days following receipt of the Committee's decision.

Alleged violations involving unethical conduct shall be referred to the Professional Standards Committee of the Arizona Association of REALTORS® for processing in accordance with the Professional Standards procedures of the Association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the board of directors of the Arizona Association of REALTORS®. (M) (Amended 09/2014)

Section 9.2 - Complaints of Unethical Conduct:

All other complaints of unethical conduct shall be referred by the Board of Directors of the Multiple Listing Service to the Arizona Association of REALTORS® for appropriate action in accordance with the Professional Standards established by the Association's Bylaws. (M)

Section 9.3 - Complaints of Unauthorized Use of Listing Content

Any participant who believes another participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.3 of the MLS rules.

Upon receiving a notice, the MLS will send the notice to the participant who is accused of unauthorized use. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the MLS that the use is authorized. Any proof submitted will be considered by the MLS, and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the MLS determines that the use of the content was unauthorized, the MLS Standards Committee may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of the MLS Standards Committee determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law. (Adopted 05/2018) (M)

Section 9.4 - MLS Rules Violations

MLS participants may not take legal action against another participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules. (Added 05/2018) (M)

Confidentiality of MLS Information

Section 10 - Confidentiality of MLS Information:

Any information provided by the Multiple Listing Service to the Participants shall be considered official information of the MLS. Such information shall be considered confidential and exclusively for the use of the Participants and real estate licensees affiliated with such Participants or those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Such information, access thereto or the right to use the same, may not be sold, resold or otherwise marketed by Participants or affiliated licensees. (M)

Section 10.1 - MLS Not Responsible For the Accuracy of Information:

The information published and disseminated by the MLS is communicated verbatim, without change by the MLS, as filed with the MLS by the Participants. The MLS does not verify such information provided and disclaims any responsibility for its accuracy. Each Participant agrees to hold the MLS harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides.

Section 10.2 - Access to Comparable and Statistical Information:

REALTORS® who are actively engaged in real estate brokerage, management, mortgage financing, appraising, land development, or building, but who do not participate in the MLS, are permitted to purchase or lease all “sold” information, and statistical reports. This information is provided for the exclusive use of Association Members and individuals affiliated with Association Members who are also engaged in the real estate business and may not be transmitted, retransmitted or provided in any manner to any unauthorized individual, office or firm except as otherwise provided in these Rules and Regulations.

Ownership and Copyright

Section 11 - Ownership of MLS Compilation and Copyright:

By the act of submitting any property listing content to the MLS the Participant represents and warrants that he/ or she is fully authorized to license the property listing content as contemplated by and in compliance with this section and these rules and regulations, and also thereby does grant to the MLS license to include the property listing content in its copyrighted MLS compilation and also in any statistical report on comparables. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property.

Each participant who submits listing content to the MLS agrees to defend and hold the MLS and every other participant harmless from and against any liability or claim arising from any inaccuracy of the submitted listing content or any inadequacy of ownership, license, or title to the submitted listing content. (M) Amended 05/2018

The Broker or Agent submitting a photograph/sketch to MLSSAZ represents that he/she has the authority to grant rights to MLSSAZ to reproduce the photograph/sketch in any manner, including sharing with an internet data exchange (“IDX”), and the Broker or Agent agrees to defend, indemnify and hold harmless MLSSAZ and the IDX for any action or liability that may arise therefrom, including, but not limited to an action in copyright

infringement. (Amended 07/2012)

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or “safe harbors” from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of “online service provider” broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website.

This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

- (1) Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.
- (2) Develop and post a DMCA-compliant website policy that addresses repeat offenders.
- (3) Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
- (4) Have no actual knowledge of any complained-of infringing activity.
- (5) Not be aware of facts or circumstances from which complained-of infringing activity is apparent.
- (6) Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP's copyright infringement liability. For more information see [17 U.S.C. §512](#).

*The term MLS compilation, as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the Participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatsoever.

Section 11.1

All right, title, and interest in each copy of every Multiple Listing compilation created and copyrighted by the Multiple Listing Service of Southern Arizona, Inc. and in the copyrights therein, shall at all times remain vested in the Multiple Listing Service of Southern Arizona, Inc.

Section 11.2 - Display:

Each Participant shall be entitled to lease from MLSSAZ a number of copies of each MLS compilation sufficient to provide the Participant and each person affiliated as a licensee (including licensed or certified appraisers) with such Participant with one copy of such compilation. The Participant shall pay for each such copy the rental fee set by the association.*

*This section should not be construed to require the Participant to lease a copy of the MLS compilation for any licensee (or licensed or certified appraiser) affiliated with the Participant who is engaged exclusively in a specialty of the real estate business other than listing, selling, or appraising the types of properties which are required to be filed with the MLS and who does not, at any time, have access to or use of the MLS information or MLS facility of the association.

Participants shall acquire by such lease only the right to use the MLS compilation in accordance with these rules. (M)

Use of Copyrighted MLS Compilation

Section 12 - Distribution:

Participants shall, at all times, maintain control over and responsibility for each copy of any MLS compilation leased to them by MLSSAZ, and shall not distribute any such copies to persons other than Subscribers who are affiliated with such Participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property, and any other Subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by an MLS is strictly limited to the activities authorized under a Participant's licensure(s) or certification, and unauthorized use are prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed or published by an MLS where access to such information is prohibited by law.

Section 12.1 - Display

Participants and those persons affiliated as licensees with such Participants shall be permitted to display the MLS compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS compilation. (M)

Section 12.2 - Reproduction

Participants or their affiliated licensees shall not reproduce any MLS Compilation or any portion thereof except in the following limited circumstances: Participants or their affiliated licensees may reproduce from the MLS Compilation, and distribute to prospective purchasers, a reasonable** number of single copies of property listing content contained in the MLS Compilation which relate to any properties in which the prospective purchasers are, or may, in the judgment of the Participants or their affiliated licensees, be interested. Only publicly viewable data fields from the MLS system are allowed to be released to the public.

***NOTE: It is intended that the Participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the Participant is seeking to promote interest. The term reasonable, as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchaser's decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent and thus reasonable in number, shall include, but are not limited to, the total number of listings in the MLS compilation, how closely the types of properties*

contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest, or in which the Participants or the affiliated licensees are seeking to promote interest, does not appear on such reproduction. Nothing contained herein shall be construed to preclude any Participants from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the Participants.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the Participants and those licensees affiliated with the Participants who are authorized to have access to such information. Such information may not be transmitted, retransmitted or provided in any manner to any unauthorized individual, office or firm. Privately viewable data fields from the MLS system are allowed to be released to the Listing Subscriber's client to verify listing accuracy.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparables, or statistical information from utilizing such information to support valuations on particular properties for clients and customers. Any MLS content in data feeds available to Participants for real estate brokerage purposes must also be available to Participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require Participants who will use such data feeds to pay thereasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these Rules and Regulations. (M) (Amended 04/2015)

Use of MLS Information

Section 13 - Limitations on Use of MLS Information:

Use of information from MLS compilation of current Listing information, from the MLS's statistical report, or from any sold or comparable report of the association or MLS for public mass-media advertising by an MLS Participant or in other public representations may not be prohibited.

However, any print or non-print forms of advertising or other forms of public representation based in whole or in part on information supplied by the MLS or Association shall clearly demonstrate the period of time over which such claims are based and shall include the following notice:

NOTE: This representation is based in whole or in part on content supplied by the Multiple Listing Service of

Southern Arizona, Inc. for the period (date) through (date). Neither the MLS or its shareholder or customer Associations guarantees or is in any way responsible for its accuracy. Content maintained by the Association or its MLS may not reflect all real estate activity in the market. Non-print forms of advertising or representation, including radio and television advertising, shall include the following, or substantially similar, disclaimer: "Based on information from the Multiple Listing Service of Southern Arizona, Inc. (alternatively, from the Multiple Listing Service of Southern Arizona, Inc.) for the period (date) through (date)." (M)

Section 13.1 - Accuracy Disclaimer:

Display of MLS content shall include a notice indicating that "the content is deemed reliable but is not guaranteed accurate by the MLS".

Section 13.2 - Disclaimers:

Participants may include other appropriate disclaimers necessary to protect the Participants and/or the MLS from liability.

Section 13.3 - Display of Listing Participant:

All listings displayed shall identify the name of the listing firm in typeface no smaller than the median used in the display of listing content.

Section 13.4 - Customer Service and Tech Support:

The MLS must display customer service and technical support contact information on the MLS website. (M)

Changes in Rules and Regulations

Section 14 - Changes in Rules and Regulations:

Amendments to the Rules and Regulations of the MLS shall be approved by a two-thirds (2/3) vote of all members of the MLS Standards Committee present and voting, subject to approval by the MLS Board of Directors of the Multiple Listing Service of Southern Arizona, Inc. Any changes to the Rules and Regulations of the MLS, mandated by the National Association of REALTORS®, shall be automatically incorporated into the current Rules and Regulations and do not require approval by the MLS Standards Committee or the Board of Directors of the Multiple Listing Service of Southern Arizona, Inc.

Section 15 - (This section has been deleted - 09/2014)

Section 16 - (This section has been deleted - 09/2014)

Orientation

Section 17 - Orientation:

Any applicant for MLS Participation and any licensee (including licensed and certified appraisers) affiliated with an MLS Participant, who desires access to MLS information, shall complete orientation of no more than eight (8) classroom hours devoted to the MLS Rules and Regulations, and the operation of the MLS, computer related to MLS information entry and retrieval. The Participant shall attend these classes within thirty (30) days after access to the MLS has been provided; any licensee affiliated with an MLS Participant shall attend this class within ninety (90) days after access has been provided. Failure to attend these mandatory classes

within the above referenced timeframes will result in immediate suspension of service until the requirement is met.

Participants and Subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize Participants and Subscribers with system changes or enhancements and/or changes to MLS rules or policies. Participants and Subscribers must be given the opportunity to complete any mandated additional training remotely. *(Adopted 11/09) (M)*

Distribution of Content

Section 18 - Distribution of Content:

MLS is not required to transmit Participant listings to third-party aggregators or to operate a public website displaying information. If an MLS transmits Participant listings to third-party aggregators and/or operates a public website displaying listing information, all exclusive listings, regardless of type, will be included in the data feed (unless a Participant withholds consent for such transmission), except that MLS may exclude from such data feed any listing where both of the following conditions are present: (a) the listed property's street address or graphic display of the property's specific location will be displayed to the public; and (b) the seller displays on the property a "For Sale By Owner" sign or another sign or notice that the seller is soliciting direct contact from buyers.

Section 18.1 - Right of Participant to MLS Data Feed of Listing Content:

A Multiple Listing Service must, upon request, promptly provide an MLS Participant (or the Participant's designee) a data feed containing, at minimum, all active MLS listing content input into the MLS by or on behalf of the Participant and all of the Participant's off-market listing content available in the MLS system. The delivery charges for the Participant's listing content shall be reasonably related to the actual costs incurred by the MLS. The data feed must be in compliance with the RESO Standards as provided for in MLS Policy Statement 7.90.

Note: MLSs will not limit the use of the Participant's listing content by the Participant or the Participant's designee. *(Adopted 5/20)*

Virtual Office Websites ("VOWs")

Section 19 - Virtual Office Websites ("VOWs")

Section 19.1 - Defined

a. A "Virtual Office Website" (VOW) is a Participant's Internet website, or a feature of a Participant's website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS listing information, subject to the Participant's oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant may, with his or her Participant's consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the Participant's oversight, supervision, and accountability. *(M)*

b. As used in Section 19 of these rules, the term “Participant” includes a Participant’s affiliated non-principal brokers and sales licensees—except when the term is used in the phrases “Participant’s consent” and “Participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all Virtual Office Websites, whether operated by a Participant, by a non-principal broker or sales licensee, or by an “Affiliated VOW Partner” (AVP) on behalf of a Participant. (M)

c. “Affiliated VOW Partner” (AVP) refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant’s supervision, accountability, and compliance with the VOW policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS listing information, except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS listing information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW. (M)

d. As used in Section 19 of these rules, the term “MLS listing information” refers to active listing information and sold data provided by Participants to the MLS and aggregated and distributed by the MLS to Participants. (M)

Section 19.2

a. The right of a Participant’s VOW to display MLS listing information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices. (M)

b. Subject to the provisions of the VOW policy and these rules, a Participant’s VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g., “Internet Data Exchange” (IDX). (M)

c. Except as otherwise provided in the VOW policy or in these rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant’s VOW. (M)

Section 19.3

a. Before permitting any consumer to search for or retrieve any MLS listing information on his or her VOW, the Participant must take each of the following steps.

i.) The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter, “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

ii.) The Participant must obtain the name of and a valid e-mail address for each Registrant. The

Participant must send an e-mail to the address provided by the Registrant confirming that the Registrant has agreed to the terms of use (described in Subsection d., below). The Participant must verify that the e-mail address provided by the Registrant is valid and that the Registrant has agreed to the terms of use.

- iii.) The Participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The Participant must also assure that any e-mail address is associated with only one user name and password. (M)
- b. The Participant must assure that each Registrant's password expires on a date certain, but may provide for renewal of the password. The Participant must at all times maintain a record of the name, e-mail address, user name, and current password of each Registrant. The Participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant's password. (M)
- c. If the MLS has reason to believe that a Participant's VOW has caused or permitted a breach in the security of MLS listing information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, e-mail address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant. (M)
- d. The Participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to a terms of use provision that provides at least the following:
 - i.) that the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant
 - ii.) that all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use.
 - iii.) that the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW
 - iv.) that the Registrant will not copy, redistribute, or retransmit any of the information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property
 - v.) that the Registrant acknowledges the MLS' ownership of and the validity of the MLS' copyright in the MLS database. (M)
- e. The terms of use agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or

creating representation of the Registrant by the Participant must be established separately from the terms of use, must be prominently labeled as such, and may not be accepted solely by mouse click. (M)

- f. The terms of use agreement shall also expressly authorize the MLS and other MLS Participants or their duly authorized representatives to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW. The agreement may also include such other provisions as may be agreed to between the Participant and the Registrant. (M)

Section 19.4

A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions or get more information about any property displayed on the VOW. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS. (M)

Note: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.

Section 19.6

- a.) A Participant's VOW shall not display the listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. Notwithstanding the foregoing, at the request of a seller, the Participant shall disable or discontinue either or both of those features described in Subsection a. as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 19.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A Participant's VOW may notify its customers that a particular feature has been disabled at the request of the seller. (M)

Section 19.8

(Amended 04/2015)

Section 19.16

A Participant shall not change the content of any MLS listing information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment MLS listing information with additional information not otherwise prohibited by these rules or by other applicable MLS rules or policies, as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS listing information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields.

Section 19.17

A Participant shall cause to be placed on his or her VOW a notice indicating that the MLS listing information displayed on the VOW is deemed reliable, but is not guaranteed accurate by the MLS. A Participant's VOW may include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability.

Section 19.18

A Participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data.

Note: The number of listings that may be viewed, retrieved, or downloaded should be specified by the MLS in the context of this rule, but may not be fewer than five hundred (500) listings or fifty percent (50%) of the listings in the MLS, whichever is less. (M)

Note: Adoption of Sections 19.20 through 19.25 is at the discretion of the MLS. It is not required that equivalent requirements be established related to other delivery mechanisms.

Section 19.21

A Participant may display advertising and the identification of other entities ("co-branding") on any VOW the Participant operates or that is operated on his or her behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this section, co-branding will

be presumed not to be deceptive or misleading if the Participant's logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party. (O)

Section 19.22

A Participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing. (O)

Internet Data Exchange (IDX)

NOTE: These model rules originally adopted in November 2001, are updated to reflect enhancements to the IDX policy approved in November 2009, May 2012 November 2014, and November 2017. (M)

Section 20 - Internet Data Exchange (IDX) Defined:

Internet Data Exchange affords MLS Participants the ability to authorize limited electronic display and delivery of their listings by other Participants via the following authorized mediums under the participant's control: websites, mobile apps, and audio devices. As used throughout these rules, "display" includes "delivery" of such listings.

(Amended 5/17) M.

Associations of REALTORS® and their multiple listing services must enable MLS Participants to display aggregated MLS listing information by specified electronic means in accordance with this policy. Electronic display subject to this policy means displays on Participants' public websites and displays using applications for mobile devices that Participants control. For purposes of this policy "control" means Participants must have the ability to add, delete, modify and update information as required by this policy. All displays of IDX listings must also be under the actual and apparent control of the Participant, and must be presented to the public as being the Participant's display. Actual control requires that the Participant has developed the display, or caused the display to be developed for the Participant pursuant to an agreement giving the

Participant authority to determine what listings will be displayed, and how those listings will be displayed. Apparent control requires that a reasonable consumer viewing the Participant's display will understand the display is the Participant's, and that the display is controlled by the Participant. Factors evidencing control include, but are not limited to, clear identification of the name of the brokerage firm under which the Participant operates in a readily visible color and typeface, except as otherwise provided for in this policy (e.g., displays of minimal information). All electronic display of IDX information conducted pursuant to this policy must comply with state law and regulations, and MLS rules. Any display of IDX information must be controlled by the Participant, including the ability to comply with this policy and applicable MLS rules. (M) (Amended 05/12)

Section 20.1 -Authorization:

Participants' consent for display of their listings by other Participants pursuant to these rules and regulations is presumed unless a Participant affirmatively notifies the MLS that the Participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a Participant refuses on a blanket basis to permit the display of that Participant's listings, that Participant may not download, frame or display the aggregated MLS data of other Participants. Even where Participants have given blanket authority for other Participants to display their listings on IDX sites, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet Display or other electronic forms of display or distribution. *(Amended 05/17)*(M)

Section 20.2 - Participation:

Participation in Internet Data Exchange is available to all MLS Participants engaged in real estate brokerage who consent to the display of their listings by other Participants (Amended 11/09)

Section 20.2.1- Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies. (Amended 05/12) (M)

Section 20.2.2- MLS Participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require Participants to prevent indexing of IDX listings by recognized search engines. *(Amended 05/12)* (M)

Section 20.2.3- Listings, including property addresses, can be included in IDX displays except where a seller has directed their listing broker to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs) or other electronic forms of display or distribution. (Amended 05/17) (M)

Section 20.2.4- Participants may select the listings they choose to display through IDX based only on objective criteria including, but not limited to, factors such as geography or location ("uptown," "downtown," etc.), list price, type of property (e.g., condominiums, cooperatives, single-family detached, multi-family), type of listing (e.g., exclusive right-to-sell or exclusive agency), Selection of listings displayed through IDX must be independently made by each Participant. (Amended 11/21). (M)

Section 20.2.5- Participants must refresh all MLS downloads and IDX Displays automatically fed by those downloads at least once every 12 hours. *(Amended 04/2015) (M)*

Section 20.2.6- Except as provided in the IDX policy these rules, an IDX site or a Participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity. *(Amended 05/12) (M)*

Section 20.2.7- Any IDX display controlled by a Participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, “control” means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules. *(Amended 05/12) (M)*

Section 20.2.8- Any IDX display controlled by a Participant or Subscriber that:

- a) allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- b) displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller’s listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by Participants’. Except for the foregoing and subject to Section 20.2.9, a Participant’s IDX display may communicate the Participant’s professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller. *(Adopted 05/12)*

Section 20.2.9 - Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, Participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.
(Adopted 05/12)

Section 20.2.10 - An MLS Participant (or where permitted locally, an MLS Subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS Participant (or MLS Subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from

each of the MLSs on a single search results page; and that Participants may display listings from each IDX feed on a single webpage or display. *(Adopted 04/2015) (M)*

Section 20.2.11 - Participants shall not modify or manipulate information relating to other participants listings. MLS Participants may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields. *(Adopted 02/2017) (M)*

Section 20.2.12 - All listings displayed pursuant to IDX shall identify the listing firm, and the email or phone number provided by the listing participant in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data.* *(Amended 05/17) (M)*

** Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the devices application. (Amended 5/17)*

Section 20.3 - Display:

Display of listing information pursuant to Internet Data Exchange is subject to the following rules:

Section 20.3.1 -Listings displayed pursuant to Internet Data Exchange shall contain only those fields of data designed by the MLS. Display of all other fields (as determined by the MLS) is prohibited. Confidential fields intended only for other MLS Participants and users (e.g., cooperative compensation offers, showing instructions, property security information, etc.) may not be displayed on IDX displays.

Section 20.3.5 - All listings displayed pursuant to IDX shall show the MLS as the source of the information. Displays of minimal information (e.g. “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less are exempt from this requirement but only when linked directly to a display that includes all required disclosures. *(Amended 05/12)*

Section 20.3.6 - Participants (and their affiliated licensees, if applicable) shall indicate on their websites that IDX information is provided exclusively for consumers’ personal, non-commercial use, that it may not be used

Real Estate Standards Organization

Section 21 - Real Estate Transaction Standards (RETS)

The integrity of data is a foundation to the orderly real estate market. The Real Estate Transaction Standards (RETS) provide a vendor neutral; secure approach to exchanging listing information between the broker and the MLS. In order to ensure that the goal of maintaining an orderly marketplace is maintained, and to further establish REALTOR® information as the trusted data source, MLS organizations owned and operated by associations of REALTORS® will comply with the RETS standards by December 31, 2009, and keep current with the standard’s new versions by implementing new releases of RETS on at least one of the MLS’s servers within one (1) year from ratification. Compliance with this requirement can be demonstrated using the Real Estate Standards Organization (RESO) compliance checker. Web API data access provided to participants and

subscribers must have no less than the same data available via data access methods such as RETS or FTP systems, and MLS fields that exist in the RESO Data Dictionary must be delivered in conformance with the standard. *(Amended 11/20) (M)*

Listing Agreement Compliance

Section 22 - Compliance Audit:

The MLS Standards Committee may, on a regular basis, require Brokers, to submit employment agreements, addenda, and all relevant status changes for review by the MLS Standards Committee to ensure compliance with the MLS Rules and Regulations.

The listing broker owns the listing agreement. Prior to submitting a listing to the MLS, the listing broker should own, or have the authority to cause all listing content (e.g., photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property) to be published in the MLS compilation of listing information. The Broker or Agent submitting a photograph/sketch to MLSSAZ represents that he/she has the authority to grant rights to MLSSAZ to reproduce the photograph/sketch in any manner, including sharing with an internet data exchange (“IDX”), and the Broker or Agent agrees to defend, indemnify and hold harmless MLSSAZ and the IDX for any action or liability that may arise therefrom, including, but not limited to an action in copyright infringement. Use of listings and listing information by the MLS for purposes other than the defined purposes of MLS requires Participant consent. Such consent cannot be required as a condition of obtaining or maintaining MLS participatory rights. The MLS may presume such consent provided that listing brokers are given adequate prior notice of any intended use unrelated to the defined purpose of MLS, and given the opportunity to affirmatively withhold consent for that use. Participants cannot be required to transfer any rights (including intellectual property rights) in their listings or listing content to MLS to obtain or maintain participatory rights except that the MLS may require Participants to consent to storage, reproduction, compiling, and distribution of listings and listing information to the extent necessary to fulfill the defined purposes of MLS. This includes statements such as “call for code”, etc.
